“PROUD TO BE MLG!”

Matthew Kimbrell, Principal

Christine Adcox, Teaching & Learning Specialist

Samantha Yourstone, Counselor

Dear MLGES Families,

Mamie Lou Gross is a Title I school based on our percentage of free and reduced lunch participants. Title I provides Mamie Lou Gross Elementary supplemental funds to support instructional programs. A key component of Title I is home and school partnerships. To this end, each year we develop a Parent Family Engagement Plan (PFEP) and School Compact to outline elements of our partnership.

On the following pages, you will find the draft for the FY22 PFEP and School Compact. Your feedback is crucial to our decision-making process when designing our education programs and outlining goals for the upcoming year. Typically, we have chosen to use Title I funds for postage, for printing supplies for newsletters and communications, etc. If you have any thoughts on the use of these funds to sustain partnerships between the school and home, please share on the feedback form.

We would also appreciate your feedback on topics to share with our teachers during professional learning sessions regarding strong home and school partnerships. Additionally, we would appreciate your feedback on our family partnership expenditures and on our professional learning topics for our faculty and staff. In the past, we have included topics such as: productive conferencing, communication in a virtual world, how to build partnerships between the school and home, understanding the needs of our stakeholders and families, etc.

Please note any thoughts you have on the included feedback form.

Thank you for your continued support of our school!
